

Year 1 Maths Home Learning Grid

Year 1 maths skills checklist:

- I can identify 1 more and 1 less than a number within 20.
- I can add and subtract 1-digit and 2-digit numbers to 20, including zero.
- I can solve addition and subtraction problems using concrete objects and pictures.
- I can solve multiplication and division problems by using concrete objects and pictures.
- I can recognise, find and name a half as one of two equal parts of an object, shape or quantity.
- I can begin to measure and record mass/weight.
- I can begin to measure and record length and heights.
- I can compare, describe and solve practical problems for time
- I can identify and describe common 2D shapes, including: rectangles (including squares) circles, triangles.
- I can describe position, direction and movement, including half, quarter and three-quarter turns.

Choose an activity from below:

<p>Counting in 1s Practise your counting in your house. How many stairs? How many pillows? How many cups? How many toys?</p>	<p>Numbers in Words Can you write the numbers 0-10 in words and spell them correctly.</p>	<p>Measure Length In your house look to find objects that are: Shorter than your foot. Shorter than your hand. Longer than a book. Challenge: Order the objects from shortest to longest?</p>	<p>Counting in 2s How many pairs of things can you find around your house? Challenge: Practise counting in 2s.</p> <div style="text-align: center;">  </div>
<p>Addition Copy and complete the number sentences below. Draw or use equipment to help. $12 + 6 =$ $12 + 2 =$ $8 + 4 =$ $10 + 1 =$ $8 + 8 =$ $2 + 7 =$ $6 + 5 =$ $4 + 6 =$</p>	<p>White Rose Visit the Home Learning area on White Rose: https://whiterosemaths.com/homelearning/year-1/ Watch some of the online lessons and join in at home.</p>	<p>Number Hunt Go on a number hunt around your house. What numbers can you find and where are they at?</p> <div style="text-align: center;">  </div>	<p>Positional Language Hide a cuddly toy in your house. Can you give an adult directions and clues to help them find it. e.g. move forward, turn, underneath, next to.</p>
<p>Shape Art Draw a picture using different 2D shapes. Label the shapes with their name. Challenge: Write down the number of sides and corners (vertices) each shape has.</p>	<p>One Minute Challenge How many star jumps can you do in one minute? Try it again. Can you beat your score? Challenge: What else can you do in one minute?</p>	<p>Subtraction Copy and complete the number sentences below. Draw or use equipment to help. $9 - 3 =$ $12 - 9 =$ $15 - 5 =$ $16 - 6 =$ $8 - 3 =$ $7 - 3 =$</p>	<p>Measure Weight Follow a recipe with an adult and carefully measure out all the ingredients you use.</p> <div style="text-align: center;">  </div>
